## 1. Policy

As a supplier of innovative and integrated solutions maximizing customer platform effectiveness, L3 MAS considers the protection and promotion of the environment as a value and a business responsibility. This policy constitutes L3 MAS environmental guidelines and commitments.

### 1.1 Commitments

- 1.1.1 Conduct business in a way that protects the environment and preserves natural resources ;
- 1.1.2 Comply with applicable environmental compliance requirements and other requirements to which L3 MAS has subscribed ;
- 1.1.3 Prevent pollution ;
- 1.1.4 All levels of the company shall reduce its impact on the environment and find solutions for its daily actions ;
- 1.1.5 Continually improve its environmental management system and programs ;
- 1.1.6 Apply a global approach of the life cycle of its activities, products and services ;
- 1.1.7 Establish environmental objectives according to a defined framework and communicate them ;
- 1.1.8 Adopt risk assessment and mitigation processes through appropriate controls ;
- 1.1.9 Provide a plan for abnormal and emergency situations to ensure that activities are managed safely ;
- 1.1.10 Evaluate its environmental performance and the effectiveness of its management system through various means such as audits ;
- 1.1.11 Make this policy available to interested parties and promote environmental awareness and good practice, including improvement of the performance ;

### 1.2 To support these commitments, L3 MAS will work to :

- 1.2.1 Ensure that employees, at all levels, adhere to this policy and understand their responsibilities regarding its implementation ;
- 1.2.2 Exercise due diligence in complying with applicable compliance requirements ;
- 1.2.3 Prevent, control and reduce emissions to the environment ;
- 1.2.4 Use resources effectively and responsibly ;
- 1.2.5 Practice source reduction, reuse and recycling ;
- 1.2.6 Promote and support resource use initiatives and waste reduction ;
- 1.2.7 Prevent and manage impacts at source, mitigate negative impacts and maximize positive impacts;
- 1.2.8 Report all incidents of an environmental nature to the Industrial Security Desk ;
- 1.2.9 Promptly correct problems with the environment ;

1.2.10 Work with interested parties to promote environmental protection ;

1.2.11 Regularly communicate its environmental initiatives and performance to interested parties.

These means fit into measurable operational objectives, with indicators, thus contributing to our continuous improvement approach.

1.3 This policy is supported locally by the site management ;

1.4 Corporate policy 005: Environmental, Health and Safety still applies to L3 MAS facilities.

## 2. Definitions

2.1 Environmental policy. Intentions and direction of an organization related to environmental performance, as formally expressed by its top management.

2.2 Organization. Person or group of people that has its own functions with responsibilities, authorities and relationships to achieve its objectives.

2.3 Environmental performance. Performance related to the management of environmental aspects.

2.4 Top management. Person or group people who directs and controls an organization at the highest level.

2.5 Objectives. Result to be achieved.

2.6 Performance. Measurable result.

2.7 Environmental aspects. Element of an organization's activities or products or services that interacts or can interact with the environment.

2.8 Environment. Surroundings in which an organization operates, including air, water, land, natural resources, flora, fauna, humans and their interrelationships.

## 3. Responsibilities

3.1 The Head Office is responsible for the elaboration and revision of the environmental and health and safety corporate policy.

3.2 The Plant Engineering Department in Mirabel is responsible for the elaboration and revision of the environmental and health and safety internal policy.

3.3 The Vice President and General Manager of L3 MAS is responsible for the endorsement of the environmental and health and safety policy. He sees that the endorsement is shared by all personnel of the facilities branch and that the endorsement document is transmitted to all employees.

3.4 The Plant Engineering Department in Mirabel is responsible for the transmission of the policy and of the endorsement document, according to the means of communication specified, to all employees, appropriate authorities, and all persons requesting a copy.
